Dear Sir,

Sub: IISc Regulation-13.5

The institute regulation-13.5 describes the termination regulation of the faculty members, which states that 'all appointments are terminable on a notice in writing on either side without assigning any reasons'.

This Regulation-13.5 makes the current option of having tenure system for the faculty has no meaning and truly detrimental to the academic nature of the institute.

The FA has written earlier to take up this matter with appropriate authorities to the Director and he stated that the regulation-13.5 is quite commensurating and need not be changed. The FA requests you to appropriately modify this regulation-13.5, which is currently open ended, to reflect the academic nature of appointments.

We hope this request will be considered favorably.

Sincerely,

(Prof. J. Nagaraju)
President, FA
(on behalf of Executive Committee, FA)
