Dear Sir,

Sub: Group Life Insurance for the Faculty

The group life insurance (including the disability benefits) is an important feature of the central government institutions. Currently, such scheme is non-existent at the institute.

The FA has raised this issue and written letters to the Director in the last one year to create such a scheme, such that dependents of the faculty can avail this benefit in case of any unfortunate incidents.

The FA requests you to immediately take up this matter and direct appropriate personnel at the Institute to enable the creation of group life insurance for the faculty.

We hope this request will be considered favorably.

Sincerely,

(Prof. J. Nagaraju)  
President, FA  
(on behalf of Executive Committee of FA)
