Dear Sir,

Sub: AGM Recommendation on Institute Medical Scheme

In the Annual General body Meeting (AGM) of Faculty Association (FA), the current medical scheme adapted by the Institute has been discussed extensively. The AGM has made the following recommendations in lieu of this discussion to improve the implementation of current health scheme.

- 1) After sixth pay (effective from 2009), the faculty contribution to health scheme has been doubled, but the coverage remains the same since 2001. The group medical insurance coverage of Rs. 50,000 per year per family (excluding the buffer amount of Rs. 50,000) should be doubled, making it atleast Rs. 1 Lakh.
- 2). The tracking of medical bills as well as returning the bills along with appropriate notes on admissible/inadmissible rates should be returned to the concerned faculty member to bring more transparency into the claims.

The FA requests you to take immediate action on this issue in order to improve the current health scheme adopted by the institute.

Please do not hesitate to contact us, if you require any further information on this issue.

Sincerely,

Prof. J. Nagaraju (IAP)
President, FA
