To  
The President  
Faculty Association

Dear Sir,

Sub:- On-line system for allotment of quarters

With reference to your letter 10<sup>th</sup> September 2013, I had a meeting with the Chairman, Centre for computerization of Administration regarding the computerization of the House allotment and making the process on line.

The action will be initiated soon and I am hopeful that perhaps in a month's time the on line system will be put in place.

Thanking you

Yours faithfully

The Chairman
